

**ProCredit. We are an international group of development-oriented commercial banks for small and medium enterprises (SMEs). We are active in South Eastern and Eastern Europe, South America and Germany. Our overarching goal is to combine a high developmental impact with economic success. This position is based in Frankfurt am Main at ProCredit Holding, the listed parent company of our banking group.**

For our Group Environmental Management and Impact Reporting team, we are seeking a motivated

## **Working Student Environmental Management (m/f/d)**

### **What we offer:**

As a member of the Group Environmental Management and Impact Reporting team you will engage in following tasks:

- Support with sustainability, impact and ESG reports preparation
- Support the conduct of research and summary of sustainability related regulations and best practices, especially those relevant for the financial and SME sector
- Supervision and implementation of measures for in-house CO2 reduction
- Collection and entry of the monthly resource consumption data into the IT system, plausibility check and processing of the data
- Management of relevant environmental/sustainability documentation
- Other tasks related to this area

### **What we expect (qualifications):**

- You should be in pursuit of an university degree in environmental management, sustainability or related topics, or business, humanities, or social science degree, ideally with a focus on the environment/sustainability
- Basic interest in environmental/sustainability issues and environmental management systems
- Confident handling of MS Office applications
- Strong command of written and spoken English – that is our lingua franca across the whole group; German is a plus but not a must. You should be a good communicator – communication is the essence of a well-functioning workspace

### **What you can expect:**

- An international environment as well as a pleasant and open working atmosphere
- Flat hierarchies and short decision paths
- Exciting, responsible tasks and cross-team project work
- Long-term perspective
- Job ticket and a company pension scheme
- Great location in the Bockenheim district of Frankfurt
