

ProCredit. We are an international group of development-oriented commercial banks for micro, small and medium enterprises (MSME) as well as private individuals. We are active in Southeastern and Eastern Europe, South America and Germany. Our overarching goal is to combine a high developmental impact with economic success. .

For our Group Risk Management teams at ProCredit Holding in Frankfurt am Main, we are seeking a motivated

IT Project Manager (m/f/d) for Risk Management projects

This position is based in Frankfurt am Main at ProCredit Holding, the listed parent company of our banking group. The position is within the Group Risk Management function which consists of teams responsible for managing Credit Risk, Financial Risks and Operational Risk on the group level including risk controlling across the group and the individual banks. The IT Project Manager (m/f/d) position is responsible for supporting the Risk Management Teams in managing their IT Projects.

Your role in our team:

- Responsibility for implementing the group risk strategy by managing the IT projects in the risk management area
- Responsibility for planning, controlling and implementing IT projects leading to more effective and efficient risk management
- Responsibility for successful implementation of IT projects, from the conception phase to go-live
- Analysis of process-owners' needs and defining business requirements for IT projects based on agreed objectives
- Close communication and coordination with risk management teams and other relevant teams, IT providers and subsidiary banks
- Regular follow-up of system developments and implementation progress, reporting about requested and developed solutions
- Supporting trainings/workshops related to risk management systems and IT projects.

What we expect:

- A university degree in a business-related discipline or university of applied sciences
- Several years of professional experience in IT project management, ideally in an agile environment, knowledge of common project management tools is an advantage
- Familiarity with banking systems and applications and experience in managing projects would be an advantage
- Strong analytical skills and an ability to understand and communicate complex relationships and topics
- Good organisational, communication and project management skills
- A willingness to learn and flexibility to work in a dynamic environment
- A strong command of written and spoken English

What you can expect

- A pleasant and open working atmosphere and an international team
- Flat hierarchies and short decision paths
- Interesting and challenging tasks and cross-team project work
- Great location in the Bockenheim district of Frankfurt am Main
- Possibility to work remotely 70 days per year
- Company pension scheme
- Deutschland Ticket (country-wide transportation pass valid on regional trams, busses and trains)
- EGYM Wellpass (membership valid at a number of gyms throughout Germany as well as for online fitness courses)
- JobRad (pick a bike and pay a monthly rental fee to the company with the option to buy after three years)
