## Basis of financial accounting

### 1 Disclosures on recognition, measurement and presentation principles

The financial statements of ProCredit Holding AG ("ProCredit Holding"), Frankfurt am Main, as of 31 December 2025, were prepared in accordance with sections 242ff and 264ff of the German Commercial Code [Handelsgesetzbuch] (HGB) as well as the German Stock Corporation Act [Aktiengesetz] (AktG). The provisions governing large corporations apply. The income statement has been prepared in accordance with the cost of production method as per section 275 (2) HGB. The preparation of these Financial Statements follows the same accounting policies and methods of computation as were used for the Financial Statements for the 2024 financial year.

Intangible fixed assets and tangible fixed assets are valued at acquisition cost and, to the extent that they are depreciable, their value is reduced by scheduled depreciation amounts. The depreciation amounts are based on the expected useful life of the respective asset items and are calculated using the straight line method:

Intangible assets	3 - 5 years
Operating and office equipment	3 - 20 years
Buildings	33 years

If an asset is permanently impaired, it is written down to the impaired value. Low-value assets with individual acquisition costs of up to EUR 800 are written off in full in the year of acquisition and reported as disposals.

In the case of financial assets, shares and securities are valued at acquisition cost. Loans are valued at nominal amount, unless they are part of a valuation unit (see below). If a financial asset is impaired permanently, it is written down to the lower fair value amount. Impairment on long-term financial assets is generally tested by comparing the net present value of future cash flows from investments with the respective carrying value. In cases in which the reasons for permanent impairment have ceased to exist, a reversal of the impairment is undertaken; the acquisition cost serves as the asset value ceiling.

Receivables and other assets are generally reported at nominal value or at lower market prices, unless they are part of a valuation unit (see also below). Premiums or discounts appear on a pro-rata temporis basis in the income statement. Balances at banks are recognised at nominal value.

Current securities are recognised at cost or at the lower fair value on the balance sheet date. If the stock exchange or market price is below the acquisition cost, a write-down to the lower fair value is made in accordance with the strict application of the principle of lowest value as set forth in section 253 (4) HGB. Write-ups are made if the reasons for an unscheduled write-down no longer exist; write-ups can be made up to the original acquisition cost at most. If a stock market price is available, this is used as the fair value.

Equity is recognised at nominal amount.

Other provisions include all contingent liabilities which are discernible as of the balance sheet date and are established in an amount determined on the basis of prudent business judgement as the required settlement amount. Where applicable, these also take into account future cost and price increases. Provisions with a remaining term of more than one year are discounted at the average market rate published by the Deutsche Bundesbank corresponding to their remaining maturity.

Liabilities are reported at the amount repayable.

In order to determine the deferred taxes arising from temporary differences between the valuations of assets, liabilities and accruals and deferrals under the Commercial Code and their valuations for tax purposes or due to tax loss carry-forwards, the valuation is based on the company-specific tax rates at the time that the differences are eliminated. The amounts of the resulting tax burden/relief are not discounted. The calculation was based on a tax rate of 30.66%.

Deferred tax assets and liabilities are offset. In accordance with the option set forth in section 274 (1) sentence 2 HGB, a surplus of deferred tax assets is not recognised in the balance sheet.

Derivative financial instruments are concluded to cover interest and exchange rate fluctuations. Fair values for interest rate derivatives, interest rate currency derivatives and forward exchange transactions are determined using the present value method, taking into account the yield curve of the corresponding currency. Data available on the market, such as yield curves and spot and forward rates, are used to determine the fair values of derivative financial instruments. Valuation units, including derivative hedging transactions, are recognised in accordance with the requirements of section 254 HGB. ProCredit Holding strives to reduce the risk from currency transactions to a minimum through the formation of micro-hedges. Micro-hedges are used to cover the risk of individually identifiable underlying transactions. The prospective and retrospective effectiveness is determined using the critical terms match. Financial accounting is performed in accordance with the "*Durchbuchungsmethode*" (revaluation method). Offsetting of positive and negative changes in value are recognised through profit or loss in the income statement.

All amounts are presented in euros (EUR), unless otherwise stated. Positions in foreign currency are translated using the closing rate valid at the end of the reporting period, with the exception of closed currency positions (see note 14). Receivables and liabilities in foreign currencies are generally translated at the middle exchange rate. Expenses and income resulting from the currency translation of these items are recognised, if the remaining term of the receivables and liabilities denominated in foreign currency does not exceed one year. The US dollar exchange rate as of 31 December 2025 was EUR 1/USD 1.175. For computational reasons, figures may exhibit rounding differences of  $\pm$  one unit (EUR, %, etc.).

Recognition and measurement is performed on a going-concern assumption.

A provision for contingent losses of EUR 1,246,323.01 was established for floating forward foreign exchange transactions (non-deliverable forwards). The provision is based on a negative fair value of the contracts. A valuation unit in accordance with section 254 of the German Commercial Code (HGB) was not established, as the transactions do not serve to hedge an underlying item in the individual financial statements.

Under existing intra-group agreements, ProCredit Holding has assumed guarantee obligations in favour of its subsidiary banks ProCredit (Bulgaria) E.A.D., Bulgaria, and ProCredit Bank AG, Germany. They serve the purpose of internal risk management and hedging credit risks within the group. Provisions for contingent liabilities totalling EUR 4,872,497.00 were established for the risks arising from the aforementioned guarantee relationships. Of this amount, EUR 4,763,802.00 relates to the direct guarantee in favour of ProCredit (Bulgaria) E.A.D., Bulgaria, and EUR 108,685.00 relates to the counter-guarantee in favour of ProCredit Bank AG, Germany.

Liabilities to affiliated companies mainly comprise other liabilities arising from the assumption of losses and an obligation arising from a comfort letter.

Other liabilities mainly includes promissory note loans from non-banking institutions.

## 13 Contingent liabilities

The contingent liabilities consist of guarantees issued to third parties amounting to EUR 179,620,211.84 (previous year-end: EUR 261,919,437.40); these guarantees are to secure liabilities of companies affiliated to ProCredit Holding. A claim on the guarantees is not expected due to the financial position and financial performance of the subsidiaries concerned.

Under existing intra-group agreements, ProCredit Holding has assumed guarantee obligations in favour of its subsidiary banks ProCredit (Bulgaria) E.A.D., Bulgaria, and ProCredit Bank AG, Germany. ProCredit Holding has issued a guarantee in the amount of EUR 16,114,050.96 in favour of ProCredit (Bulgaria) E.A.D., Bulgaria, for a loan granted by the latter to an external borrower. In addition, ProCredit Holding has assumed a counter-guarantee in the amount of EUR 3,165,766.20 to secure the guarantee obligation entered into by ProCredit Bank AG, Germany, towards ProCredit (Bulgaria) E.A.D., Bulgaria. The guarantee obligations exist exclusively towards affiliated companies. They serve the purpose of internal risk management and hedging credit risks within the group. Provisions for contingent liabilities totalling EUR 4,872,497.00 were established for the risks arising from the aforementioned guarantee relationships. Of this amount, EUR 4,763,802.00 relates to the direct guarantee in favour of ProCredit (Bulgaria) E.A.D., Bulgaria, and EUR 108,685.00 relates to the counter-guarantee in favour of ProCredit Bank AG, Germany. The provisions take into account the respective risk situation and the probability of utilisation as assessed on the balance sheet date. ProCredit Holding monitors the risk situation on an ongoing basis. Based on current knowledge, a claim arising from the aforementioned guarantee relationships cannot be ruled out.

## 14 Derivative financial instruments

There are FX swaps with ProCredit Bank AG, Germany. There are recognised as receivables from or liabilities to affiliated companies. These are FX currency swaps that are used exclusively for liquidity management purposes.

The fair value of derivative financial instruments is as follows:

in EUR	nominal amount	31.12.2025	
		positive fair value	negative fair value
Foreign-exchange swaps	20,378,393	47,139	0
<b>Total</b>	<b>20,378,393</b>	<b>47,139</b>	<b>0</b>

FX swaps have a maximum remaining maturity until 2 January 2026.

In addition, ProCredit Holding has concluded non-deliverable FX forwards (NDFs) with a nominal volume of EUR 198,000,000. The NDFs serve to hedge net investments in foreign operations at the level of the consolidated financial statements. The fair value of NDF contracts at the balance sheet date is EUR 1,246,323 and is negative. The floating transactions result in exchange rate risks, which were taken into account by establishing a provision for contingent losses in accordance with section 249 (1) sentence 1 of the German Commercial Code (HGB). The provision for expected losses amounts to EUR 1,246,323 as of the balance sheet date.

### *25 Events after the reporting period*

Eriola Bibolli, member of the Management Board of ProCredit Holding AG, took over as Chair of the Management Board from Hubert Spechtenhauser on 1 March 2026, as planned. Mr Spechtenhauser retired at the end of February 2026. He had been responsible for ProCredit Holding in his role as Chair of the Management Board since 1 November 2022.

In March 2026, ProCredit Holding signed an agreement to sell its majority stake in ProCredit Bank Ecuador. The two remaining receivables from ProCredit Bank Ecuador were converted into equity already in February 2026. The obligation arising from a comfort letter for the capital commitment, which is reported under liabilities to affiliated companies, expired upon conversion of these two instruments. The valuation of the investment as of 31 December 2025 is based on the purchase offer and already takes into account the conversion of the two instruments into equity.

Beyond that, no other significant events occurred after the reporting date.

## INDEPENDENT AUDITOR'S REPORT

To ProCredit Holding AG, Frankfurt am Main

### REPORT ON THE AUDIT OF THE ANNUAL FINANCIAL STATEMENTS AND OF THE COMBINED MANAGEMENT REPORT

#### Opinions

We have audited the annual financial statements of ProCredit Holding AG, Frankfurt am Main, which comprise the statement of financial position as at 31 December 2025, the statement of profit or loss for the financial year from 1 January 2025 to 31 December 2025, and notes to the annual financial statements, including a summary of significant accounting policies.

In addition, we have audited the management report of ProCredit Holding AG and the Group (combined management report) for the financial year from 1 January 2025 to 31 December 2025. In accordance with the German legal requirements, we have not audited the content of those components of the combined management report mentioned in the "Other Information".

In our opinion, on the basis of the knowledge obtained in the audit

- the accompanying annual financial statements comply, in all material respects, with the requirements of German Commercial Code applicable to stock corporations [Handelsgesetzbuch: German Commercial Code] and give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2025 and of its financial performance for the financial year from 1 January 2025 to 31 December 2025 in compliance with German legally required accounting principles, and
- the accompanying combined management report as a whole provides an appropriate view of the Company's position. In all material respects, this combined management report is consistent with the annual financial statements, complies with German legal requirements and appropriately presents the opportunities and risks of future development. Our opinion regarding the combined management report does not extend to the content of the components of the combined management report mentioned in the "Other Information".

Pursuant to Section 322 (3) sentence 1 HGB, we declare that our audit has not led to any reservations relating to the legal compliance of the annual financial statements and of the combined management report.

#### Basis for the Opinions

We conducted our audit of the annual financial statements and of the combined management report in accordance with Section 317 HGB and EU Audit Regulation No 537/2014 (referred to subsequently as "EU Audit Regulation") and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements, principles and standards are further described in the "Auditor's Responsibilities for the Audit of the Annual Financial Statements and of the Combined Management Report" section of our auditor's report. We are independent of the company in accordance with the requirements of European law and German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements.

In addition, in accordance with Article 10 (2) (f) of the EU Audit Regulation, we declare that we have not provided non-audit services prohibited under Article 5 (1) of the EU Audit Regulation.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinions on the annual financial statements and on the combined management report.

## **Key Audit Matters in the Audit of the Annual Financial Statements**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the annual financial statements for the financial year from 1 January 2025 to 31 December 2025. These matters were addressed in the context of our audit of the annual financial statements as a whole, and in forming our opinion thereon; we do not provide a separate opinion on these matters.

Below, we describe what we consider to be the key audit matter:

### ***Valuation of shares in affiliated companies***

#### *Description of matter*

In the annual financial statements as at 31 December 2025, shares in affiliated companies amounting to EUR 757,8 Mio. (67,2% of total assets) are reported under long-term financial assets. Shares in affiliated companies are measured at cost or, in the event of an impairment that is expected to be permanent, at the lower fair value.

The impairment test is performed for each affiliated company. As part of the impairment test, a comparison is made as to whether the carrying amount of the investment is lower than the fair value at the reporting date. The fair value of the shares is determined using the discounted cash flow method on the basis of the present value of future cash flows. The discounting is based on the weighted average cost of capital of the respective affiliated company. The result of this valuation depends to a large extent on the estimation of future cash flows by management and on the discount rates used in each case. The valuation is therefore subject to significant uncertainties. In light of these and due to the high complexity of the process as well as the materiality of the shares in affiliated companies, this is a key audit matter.

Information on the valuation of shares in affiliated companies is provided in the section "2 Shares in affiliated companies" in the notes to the annual financial statements of ProCredit Holding AG.

#### *Auditor's response*

We performed a risk assessment in relation to the shares in affiliated companies held by the Company. We obtained an understanding of the valuation process as part of our audit procedures on the internal control system. In doing so, we assessed - with the involvement of our BDO internal valuation specialists - the methodical procedure for carrying out the impairment test under German commercial code, including the determination procedure for calculating the cost of capital used for discounting.

Furthermore, after comparing the future cash inflows used in the calculation of the fair values with the approved planning of the respective affiliated company, we assessed the consistency of the planning as well as the appropriateness of the key assumptions, in particular by reconciling them with general and industry-specific market expectations of the respective countries in which the company under review operates. In doing so, we also assessed whether the interest and principal payments of the loans granted by ProCredit Holding AG were correctly reflected in the cash flows. Furthermore, we assessed the appropriate consideration of the effects of the Ukraine war in the planning calculations.

We investigated intensively with parameters used to determine the discount rates and traced their mathematical derivation, knowing that even relatively small changes in the discount rates used can have a significant impact on the amount of the calculated share values.

We then verified the arithmetical correctness of the calculation of the fair values of the shares in affiliated companies and the accounting recognition of the value adjustments determined.

## Other Information

Management respectively the Supervisory Board are responsible for the other information. The other information comprises

- the separately published corporate governance statement, to which reference is made in the "Corporate governance statement" section of the combined management report
- the Group Sustainability Statement, which is included in the combined management report

Our opinions on the annual financial statements and on the combined management report do not cover the other information, and consequently we do not express an opinion or any other form of assurance conclusion thereon.

In connection with our audit, our responsibility is to read the other information and, in so doing, to consider whether the other information

- is materially inconsistent with the annual financial statements, the combined management report or our knowledge obtained in the audit, or
- otherwise appears to be materially misstated.

## Responsibilities of Management and the Supervisory Board for the Annual Financial Statements and the Combined Management Report

Management is responsible for the preparation of the annual financial statements that comply, in all material respects, with the requirements of German commercial law applicable to stock corporations and that the annual financial statements, in compliance with these requirements, give a true and fair view of the assets, liabilities, financial position, and financial performance of the company. In addition, management is responsible for such internal control as they have determined necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud (i.e. manipulation of accounting and property damage) or error.

In preparing the annual financial statements, management is responsible for assessing the Company's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting unless there is an intention to liquidate the Company or to cease operations, or there is no realistic alternative but to do so.

Furthermore, management is responsible for the preparation of the combined management report that, as a whole, provides an appropriate view of the Company's position and is, in all material respects, consistent with the annual financial statements, complies with German legal requirements, and appropriately presents the opportunities and risks of future development. In addition, management is responsible for such arrangements and measures (systems) as they have considered necessary to enable the preparation of a combined management report that is in accordance with the applicable German legal requirements, and to be able to provide sufficient appropriate evidence for the assertions in the management report.

The Supervisory Board is responsible for overseeing the Company's financial reporting process for the preparation of the annual financial statements and of the combined management report.

## Auditor's Responsibilities for the Audit of the Annual Financial Statements and of the Combined Management Report

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and whether the combined management report as a whole provides an appropriate view of the Company's position and, in all material respects, is consistent with the annual financial statements and the knowledge obtained in the audit, complies with the German legal requirements and

appropriately presents the opportunities and risks of future development, as well as to issue an auditor's report that includes our opinions on the annual financial statements and on the combined management report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Section 317 HGB and the EU Audit Regulation and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements and this combined management report.

We exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements and of the combined management report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit of the annual financial statements and of arrangements and measures (systems) relevant to the audit of the combined management report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of these systems.
- Evaluate the appropriateness of accounting policies used by management and the reasonableness of estimates made by management and related disclosures.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the annual financial statements and in the combined management report or, if such disclosures are inadequate, to modify our respective opinions. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to be able to continue as a going concern.
- Evaluate the presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements present the underlying transactions and events in a manner that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German legally required accounting principles.
- Evaluate the consistency of the combined management report with the annual financial statements, its conformity with [German] law, and the view of the Company's position it provides.
- Perform audit procedures on the prospective information presented by management in the combined management report. On the basis of sufficient appropriate audit evidence we evaluate, in particular, the significant assumptions used by management as a basis for the prospective information, and evaluate the proper derivation of the prospective information from these assumptions. We do not express a separate opinion on the prospective information and on the assumptions used as a basis. There is a substantial unavoidable risk that future events will differ materially from the prospective information.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant independence requirements, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, the related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the annual financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

## OTHER LEGAL AND REGULATORY REQUIREMENTS

### **Report on the Assurance in accordance with Section 317 (3a) HGB on the Electronic Rendering of the Annual Financial Statements and the Combined Management Report Prepared for Publication Purposes**

#### ***Opinion***

We have performed assurance work in accordance with Section 317 (3a) HGB to obtain reasonable assurance about whether the electronic rendering of the annual financial statements and the combined management report (hereinafter the "ESEF documents") contained in the file „ProCreditHolding\_EA\_2025.zip“ that can be downloaded by the issuer from the electronic client portal with access protection and prepared for publication purposes complies in all material respects with the requirements of Section 328 (1) HGB for the electronic reporting format ("ESEF format"). In accordance with German legal requirements, this assurance only extends to the conversion of the information contained in the annual financial statements and the combined management report into the ESEF format and therefore relates neither to the information contained in this rendering nor any other information contained in the above-mentioned electronic file.

In our opinion, the rendering of the annual financial statements and the combined group management report contained in the above-mentioned electronic file and prepared for publication purposes complies in all material respects with the requirements of Section 328 (1) HGB for the electronic reporting format. We do not express any opinion on the information contained in this rendering nor on any other information contained in the above-mentioned file beyond this reasonable assurance opinion and our audit opinion on the accompanying annual financial statements and the accompanying combined management report for the financial year from 1 January 2025 to 31 December 2025, contained in the "Report on the Audit of the Annual Financial Statements and of the Combined Management Report" above.

#### ***Basis for the opinion***

We conducted our audit work of the rendering of the annual financial statements and the combined group management report contained in the above-mentioned electronic file in accordance with Section 317 (3a) HGB and the IDW Auditing Standard: Auditing in accordance with Section 317 (3a) HGB on the Electronic Rendering of Financial Statements and Management Reports Prepared for Publication Purposes (IDW PS 410 (June 2022)). Accordingly, our responsibilities are further described below. Our audit firm has applied the requirements of the IDW Quality Management Standards, which implement the IAASB's International Standards on Quality Management.

#### ***Responsibilities of Management and the Supervisory Board for the ESEF documents***

The Company's management is responsible for the preparation of the ESEF documents including the electronic rendering of the annual financial statements and the combined management report in accordance with Section 328 (1) sentence 4 item 1 HGB.

#### ***Auditor's Responsibilities for the assurance work on the ESEF documents***

Our objective is to obtain reasonable assurance about whether the ESEF documents are free from material intentional or unintentional non-compliance with the requirements of Section 328 (1) HGB. We exercise professional judgement and maintain professional skepticism throughout the assurance work. We also:

- Identify and assess the risks of material intentional or unintentional non-compliance with the requirements of Section 328 (1) HGB, design and perform assurance procedures responsive to those risks, and obtain assurance evidence that is sufficient and appropriate to provide a basis for our assurance opinion.
- Obtain an understanding of internal control relevant to the assessment of the ESEF documents in order to design assurance procedures that are appropriate in the circumstances, but not for the purpose of expressing an assurance opinion on the effectiveness of these controls.
- Evaluate the technical validity of the ESEF documents, i. e. whether the electronic file containing the ESEF documents meets the requirements of Commission Delegated Regulation (EU) 2019/815 on the technical specification for this electronic file.
- Evaluate whether the ESEF documents enable an XHTML rendering with content equivalent to the audited annual financial statements and the audited combined management report.

### **Further Information pursuant to Article 10 of the EU Audit Regulation**

We were elected as auditor at the annual general meeting on 4th June 2025. We were engaged by the Audit Committee on 12th November 2025. We have been the auditor of ProCredit Holding AG without interruption since the financial year 2021.

We declare that the opinions expressed in this auditor's report are consistent with the additional report to the Supervisory Board pursuant to Article 11 of the EU Audit Regulation (long-form audit report).

In addition to the financial statement audit, we have provided to the Company or its controlled entities the following services that are not disclosed in the annual financial statements or in the combined management report:

- Review of the condensed consolidated financial statements and interim group management report from January 1, 2025 to June 30, 2025,
- Review of the condensed consolidated financial statements and interim group management report from January 1, 2025 to September 30, 2025,
- Business audits to obtain reasonable assurance regarding the appropriateness of the design and implementation of measures to remedy the deficiencies identified in an audit conducted pursuant to section 44(1), sentence 2, of the German Banking Act (KWG)
- Business review to obtain reasonable assurance regarding the adequacy of the design of the measures to remedy the deficiencies identified in an audit pursuant to Section 44 (1) sentence 2 of the German Banking Act (KWG)
- Audit of the Group Sustainability Statement of ProCredit Holding AG for the financial year from January 1 to December 31, 2025
- Agreed-Upon Procedures
- Conducting technical training

### **OTHER MATTER – USE OF THE AUDITOR'S REPORT**

Our auditor's report must always be read together with the audited consolidated financial statements and the audited combined management report as well as the audited ESEF documents. The consolidated financial statements and the management report converted to the ESEF format — including the versions to be entered in the company register — are merely electronic renderings of the audited consolidated financial statements and the audited management report and do not take their place. In particular, the ESEF report and our audit opinion contained therein are to be used solely together with the assured ESEF documents made available in electronic form.

#### Forward-looking statements

This report contains forward-looking statements on the business and earnings development of the ProCredit group; among other things, these are based on current plans, assumptions and forecasts. Forward-looking statements involve risks and uncertainties, such that actual results may differ materially from forward-looking statements. In particular, these factors include economic development trends, possible loan defaults, the state of financial markets and exchange rate fluctuations. Forward-looking statements are therefore only valid at the time of publication. We assume no obligation to adjust the forward-looking statements, nor do we intend to do so, in light of new information or unexpected events.
